

Women Subjects on United States Postage Stamps

Although Queen Isabella appeared in the first commemorative stamps issued in 1893, the first stamp specifically to honor a woman was the eight-cent Martha Washington stamp issued in 1902. The many stamps issued in honor of women since then are listed below.

The Postal Service Guide to U.S. Stamps lists all United States postage stamps and provides other useful information, including illustrations. The *Guide* can be found in bookstores and Post Offices, ordered by calling 1-800-STAMP-24, or purchased through the Postal Store at www.usps.com/shop.
