PHILADELPHIA:

BAVIS & PENNYPACKER, STEAM POWER PRINTERS, NO. 23 S. TENTH ST.

1879.
Scale of One-Sixteenth of an Inch.
Notice to Collectors.

PHILADELPHIA, April 30, 1879.

This collection, formed by Mr. Lyman Wilder, is particularly interesting on account of the number of varieties of the United States and Colonial Coins, to which Mr. Wilder devoted a great deal of attention. Among the rare coins which may be specially noticed are the 1794, 1838, 1839, 1851 and 1852 Dollars; the 1794, 1796, 1797, 1808, 1800, 1802, 1815, 1851 and 1852 Half Dollars; the fine assortment of Bronze Mint Medals; the 1796, 1797, 1798, 1800, 1802, 1804, 1807 and 1822 Dimes; the Granby Three Pence, Immune Columbia and many other rare early American pieces, as well as the great number of fine Cents, etc.

In cataloguing this collection, every care has been taken to properly describe the pieces, doing equal justice to the owner and purchaser; and I take this opportunity of informing my friends who favor me with their bids for auction sales, that, in all cases where ignorant or careless persons catalogue collections of coins for auction sales, my bidders will receive, in said catalogues that I may send to them, a printed slip, stating that I will not receive bids for the said sale.

Respectfully,

JOHN W. HASELTINE,
No. 1225 CHESTNUT STREET, PHILADELPHIA.
